President Kahrs: Called for other committee reports.

Paul Osborn: Gave Resolutions Committee report and read a statement regarding state regulations concerning the definition of the word, "wild", in regards to fish and game. He asked for a second to the motion that the statement be considered by the Chapter.

Dr. Campbell: Asked for a discussion.

A fairly extensive discussion followed in which many members took part. A suggestion was then made that the statement might be presented to the Conservation Commission.

Paul Osborn: In behalf of the Committee withdrew the resolution that the Chapter consider the committee statement at this time.

President Kahrs: Observed that the preceding discussion was useful in stimulating thought and helped to bring out things that the members felt needed clarification. He then called on the Nominating Committee for their report.

Dr. Campbell: The Nominating Committee of John Funk, Jim Kahrs and Bob Campbell presented the following nominees:

Secretary-Treasurer: Willis Hanson  
President: Dr. Richard Anderson  
Vice-President: Charles Purkett

Dr. Campbell moved that this slate of candidates be seconded.

Dr. Campbell: Moved for an expression of appreciation to the outgoing President, Jim Kahrs.

President Anderson: Called for adjournment.
